

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

The cable industry is already way too consolidated, with only a few companies able to dictate the programming on my TV.

Please stop the continuing merger mania in the cable and media industries.
